EMERGENCY FIRST AID AT WORK COURSE

EMERGENCY FIRST AID AT WORK

Our Emergency First Aid at Work is an in-house comprehensive training programme suitable for staff in any sector, providing essential knowledge to ensure a safe working environment. The training is also available as an open course option, although the in-house version is recommended so that the training can be tailored to suit the delegates' workplace. The course is delivered in one day and delegates will be assessed throughout the whole day with a certificate awarded upon successful completion.

WHO NEEDS THIS QUALIFICATION?

For people need training in emergency first aid, generally suited for nominated first aiders in smaller, low risk working environments
